Re: Building Bridges: Supporting families and self-advocates through engagement

Date: March 14, 2022

We are excited to announce that we are resuming our in-person Building Bridges events!

Building Bridges events are opportunities for individuals with disabilities and their families to meet and speak with the Bureau of Developmental Disabilities Services staff. These events will allow for individuals and families to ask questions and share their feedback as well as discuss any other concerns or successes with bureau services. These meetings are solely for families and individuals with disabilities to provide a forum for constructive and valuable conversations on successes and concerns, as well as providing suggestions or input for positive change.

It is the desire of BDDS that these meetings will allow for meaningful conversations that result in positive outcomes and stronger relationships. We hope you will consider joining us! All meetings will be from 6 – 8 p.m. local time.

Following are the dates, times, and locations for the next meetings:

- Tuesday, April 5, 2022 - Kokomo-Howard County Public Library
